BW Businessworld Chief Data & AI Officer Awards 2026
Analytics & Insight Team of the Year

WoRisGo has been awarded Analytics and Insight Team of the Year (Excellence in Teamwork) at the 2nd Edition of the BW Businessworld Chief Data & AI Officer Awards 2026.

This milestone celebrates the collective effort behind our mission: transforming complex data into meaningful, decision-ready intelligence. In an era where AI and analytics define modern enterprise strategy, this recognition reinforces the value of pairing advanced technology with human expertise, analytical rigor, and cross-functional collaboration.

Key highlights of this milestone:

- Excellence in Teamwork: Honoring the relentless dedication and collaborative spirit across the entire WoRisGo team.
- Industry Recognition: Acknowledged by BW Businessworld among leading organizations championing digital transformation, responsible AI, and high-impact analytics.
- Strategic Impact: Validating our continuous drive to empower businesses with the actionable foresight needed to anticipate disruptions and navigate an increasingly complex global landscape.

A sincere thank you to BW Businessworld, the jury, and our partners for their ongoing trust as we continue pushing the boundaries of intelligence and analytics.
